*An Air Evac Friendship Outlasts Time and Exceeds Distance*

It is a gift to rekindle old friendships and make new ones.

Come join our active and growing organization. Stay in touch with AeroMed Evac Association (AMEA) events, activities and friends. Travel to scenic and fun-filled reunion sites every two years. Have memorable fun with family and friends, both old and new. Share your aeromedical evacuation stories and preserve its history.

## AMEA History

The AMEA was founded in 1989 in San Antonio after five aeromedical retirees convened a few friends for a three-day “reunion”. They quickly found a need to change their venue to host the 200+ who responded and to make it a 4-day event. The attendees enjoyed themselves so much they called a meeting on departure day with the planners and hosts. These planners/hosts were designated the first executive board members and were charged to officially organize the Association and plan the next reunion. That same year, AMEA was incorporated in Texas and gained non-profit status. Since then, the Association has created and maintains a database and Honor Roll of over 1784 member profiles, hosted several successful reunions, created its own website, Facebook group and newsletter (the Crew Alert) and made several donations and presentations to other military-related nonprofit organizations.

## Our Purpose

AMEA is a 501(c)(19) non-profit organization that promotes and preserves aeromedical evacuation history. It provides social opportunities and support for its members. It also provides and maintains a central locator service for its membership and makes charitable donations to other military and aeromedical mission related organizations.

## Organizational Structure

AMEA is organized with a Board of Directors consisting of 7 members (4 officers and 3 general members). In addition, Regional Directors and Assistants, serving across 6 US regions, help with membership and communications.

## AMEA Reunions

Reunions are held every two years on the even years. Future sites for reunions are presented by any member at the General Membership meeting, then voted on by the membership to determine the final selection. Reunion information is published in the Crew Alert newsletter, as well as the AMEA website and Facebook group well in advance of the date.

## Who is Eligible

Membership is open to all personnel in all branches of the service (Reserve, National Guard, or Active Duty) who serve, or formerly served, in any capacity in an aeromedical evacuation or support unit, including their widows/widowers and children.
